A parent or guardian must be available to sign clinic health forms for each child (if unable to speak or read English, please bring an adult translator). Residents must bring immunization records and health insurance cards in order to be vaccinated. Those without Medicaid will be charged \$8 (cash or check only) per vaccine.

The chickenpox vaccine is not available at these outreach clinics. That vaccine is only available at the three main health department locations in Mount Clemens, St. Clair Shores and Warren.

For hours and locations of the three main Health Department locations, visit www.macombcountymi.gov/publichealth/phs_immunization_clinic.asp.

For additional information on childhood immunizations, visit www.macombcountymi.gov/publichealth/childhoodimmunizations.asp.

This program is sponsored by the Macomb County Board of Commissioners.

About Macomb County

Macomb County is an enriching community in Southeastern Michigan that has one of the state's fastest rates of growth. Its 825,000 residents make it Michigan's third-largest county, with direct access to Lake St. Clair and Anchor Bay, and a host of cultural and entertainment options. Its highly skilled workforce and investment in new and expanding businesses make it open to enterprise. Active civic leadership translates into balanced budgets and Michigan's second-lowest tax rate. An increasingly diverse population and high quality of life make Macomb County accessible to all.
